

## If your neighbor's child was injured and needed help, wouldn't you want to do more than watch?

Of course you would, and we'd like to offer a suggestion: Become a *volunteer member*.

It's a great way to do something important for your community and for yourself.

To be a volunteer member, you'll need more than just a desire to help people. You'll also need courage and dedication, enthusiasm and a willingness to learn new skills and face new challenges. If you think you qualify for this kind of service, feel free to call for information, 717-964-2369. Lawn Fire Company Ambulance provides all training and equipment.

Watching is a helpless feeling. We can't describe in words the feeling you'll get from helping.
